NOTICE

To the defendant (s):

Tennessee law provides a Ten Thousand dollar (\$10,000) personal property exemption from execution or seizure to satisfy a judgment. If a judgment should be entered against you in this action and you wish to claim property as exempt, you must file a written list, under oath, of the items you wish to claim as exempt with the clerk of the court. The list may be filed at any time and may be changed by you thereafter as necessary; however, unless it is filed before the judgment becomes final, it will not be effective as to any execution or garnishment issued prior to the filing of the list. Certain items are automatically exempt by law and do not need to be listed; these include items of necessary wearing apparel for yourself and your family and trunks or other receptacles necessary to contain such apparel, family portraits, the family bible, and school books. Should any of these items be seized you would have the right to recover them. If you do not understand your exemption right or how to exercise it, you may wish to seek counsel of a lawyer.

2-107-21

The civil lawsuit against the FBI 1501 Dowell Springs Blvd, Knoxville, TN 37909 and 3000 Flowers Road S Atlanta, GA 3034 is the result of between 5 and 6 years of reporting to them dozens and dozens of times via phone and website submission regarding hidden camera equipment in my previous home in Powder Springs GA, which has been there over seven years and is still there in operation to the present where my ex-wife still resides. I have lived in Powell TN for two and a half years and the hidden camera equipment has been in the home since I moved in there, which I have also reported to the FBI Knoxville TN multiple times, and in the 5 – 6 years I have been reporting this criminal activity to the FBI Knoxville and Atlanta, I never received any form of communication from them during that time. There has also been camera equipment in my son's home in Jefferson County TN and my Aunt's home for the past two and half years as well, possibly longer. In addition, there are also tracking and listening devices in my current vehicle and had been in my two previous vehicles as well. The tracking and listening devices are also in all of family members vehicles as well and all the equipment in TN and GA is still currently in all the homes and vehicles. I have asked through website submissions dozens of times for the FBI to obtain the warrants needed to remove and seize all the evidence of the stalking that has been occurring in TN and GA for the last 8 ½ years now and is still ongoing, but they will not do so.

In the amount 100,000,000\$
